Any Baby Can

## Autism Services Program

# Autism Resource Guide

Any Baby Can of San Antonio is a non-profit agency and all services are provided at no cost – regardless of income – to families who have a child birth through 17 years of age with a chronic illness, disability, developmental delay or health risk. The child must reside in Bexar, Atascosa, Bandera, Blanco, Caldwell, Comal, Edwards, Frio, Gillespie, Gonzales, Guadalupe, Hays, Kendall, Kerr, Kimble, Medina, Real, Uvalde or Wilson County. Please call the Any Baby Can main office to access the assistance of a case manager who can provide useful service coordination to guide you and your family through the many available resources

This valuable Autism Resource Guide has been compiled by the staff of the **Autism Services Program** at **Any Baby Can**. The information is collected from community members and many parents of children with autism who have found useful services and supports in our area. The goal of this resource guide is to provide families with all available information so that they can make the most informed decisions regarding their child with autism spectrum disorder. Please feel free share this guide with anyone interested. Check our website for monthly updates, www.anybabycansa.org.

Resources are constantly evolving, please contact Rachel Vargas-Trevino at Any Baby Can for additions or send changes via email rvargas-trevino@anybabycansa.org or phone **210.547.3013**. We encourage parents and professionals to contact us regarding additions or deletions to the resource guide.

The Autism Services Guide is a roadmap for services in our community. This is a guide to direct you in the recommended order to access resources in San Antonio once a child is diagnosed with autism. The intent of the chart is to give you a list of categories and the suggested order to access those services. This is not a representation of all available resources and is intended to serve as a helpful guide. You may access services in the order of what you and your family find most important, and you may find other resources that better fit your child/family's needs.

We hope that you find this resource guide helpful in learning what services are available to you and your family. Please feel free to share this with others that may be in need, and visit our website www.anybabycansa.org or call 210.227.0170 for more information.

**Autism Services at Any Baby Can**

Any Baby Can also offers a variety services to the San Antonio autism community. Our goal is to provide training and support to anyone interested in learning about children and individuals with autism.

Here is a list of Autism Services we provide **at no cost** to our community:

- Autism Parent Education-Foundational (Six Session Course with free materials)
- Autism Parent Education-Secondary (Six Session Course for parents with children 12 years old and older, with free materials)
- Group Counseling with a licensed Clinical Psychologist
- Toilet Training (with materials at no cost)
- Personal Hygiene Training
- Safety Training
- Intensive Support Services
- Autism in the Community Training for First Responders, parents and teachers
- Annual Halloween Party

**Please call us at 210.227.0170 to get started.**

**This Autism Resource Guide is brought to you by the kind support from the Kronkosky Charitable Foundation, Baptist Health Foundation and United Way.**

*117 W. Craig Pl. San Antonio, TX 78212*
Dr. Maddox specializes in providing psychological evaluations for children, adolescents, and young adults. When parents have concerns about their child's development, emotional/behavioral problems, social skills, or academic performance, a psychological evaluation can provide parents with valuable information such as diagnostic clarification, treatment needs, and recommendations on how to help their children achieve their goals. Dr. Katherine Maddox is a Licensed Clinical Psychologist and a Licensed Specialist in School Psychology. Her areas of specialization include providing diagnostic evaluations for children and adolescents with symptoms related to emotional, behavioral, developmental, and learning problems.

This program offers assistance and information for people with disabilities applying for benefits.

**Social Security Disability Insurance (SSDI) ..... 1.800.331.5616**

Web: http://ssa.gov/

Social Security Disability Insurance (SSDI) is a federally run benefits program that provides aid to people who are unable to achieve gainful employment due to a permanent disabling condition. SSDI is financed by the Social Security tax. Therefore; any person that qualifies as disabled according to the definition provided by Social Security Administration (SSA); and who has paid Social Security taxes long enough to achieve sufficient work credits; can qualify for SSDI. Social Security Disability Insurance; also known as SSDI or SSD; provides income to individuals no longer able to work because of a physically or psychologically restrictive disability. SSDI is funded by payroll taxes and does not depend on the recipient's income level; as it is based solely on work history and the degree of disability. Supplemental Security Income; or SSI; offers monetary assistance to low-income individuals who are at least age 65; blind; and/ or disabled. SSI pays cash benefits to supplement the cost of food; clothing; and shelter.

**Supplemental Security Income (SSI) ..... 1.800.772.1213**

Provides Medicaid coverage and monthly cash assistance to eligible individuals; eligibility is based on citizenship status, financial status and disability.

**TX Dept. Of Aging & Disability Services-Medically Dependent Children Prog (MDCP) 1.877.438.5658**

Web: www.dads.state.tx.us/providers/mdcp

The program provides services to support families caring for children and young adults who are medically dependent and assist with the transition of children in nursing homes. Services include: Adaptive aids; adjunct supports; minor home modifications; financial management services; respite services; transition assistance services and more. To qualify, applicants must have a child with a disability less than 21 years of age; be a U.S. Citizen or an alien with approved status who lives in Texas; be low income and eligible for Medicaid; must meet the medical necessity determination for nursing home care and cannot be currently enrolled in another waiver program. Call to get on the interest list.

**Achievers Center for Education-Private School** ..... 210.690.7359

Other activities include therapeutic horticulture; yoga; hand built pottery and community group outings such as horseback riding; swimming; art shows; festival etc. Fees for this service vary based on level of need; all types of private pay are welcome.

**Autism Treatment Center (ATC)** ..... 210.590.2107

**Toll Free** ..... 1.877.289.7554

Fax: ..... 210.590.3143

Web: www.atcoftexas.org

*16111 Nacogdoches RD., SA TX 78247*

Contact: Rita Hinojosa

ATCs mission is to assist individuals with autism and related disorders throughout their lives as they learn, play, work and live in the community. ATC is a Texas Education Agency non-public school The Learning Center provides educational instruction to children ages 3-21. Individual educational plans (IEPs) are based upon assessment protocols to include ABLLS & VB-MAPP and also offers speech, occupational and applied behavioral analysis therapies; ATC also offers outpatient services including speech, occupational and ABA therapy. ATC has a thirty year history of providing services for children and adults with autism to include evaluations, education, residential, and therapy.

**Autism Treatment Center - Zajicek Learning Center** ..... 210.590.2107

Web: http://www.atcoftexas.org/sanantonio.html

*16111 Nacogdoches RD, SA TX 78247*

ATC's Zajicek Learning Center is a non-public school accredited by Texas Education Agency (TEA). The Learning Center provides educational instruction to children ages 3-22 years of age in classrooms specially designed to meet the students' needs. Low student to teacher ratios maximize the students participation and learning potential. All programming is developed to facilitate functional communication; increase self-help skills; and increase social/community skills. Individualized Education Plans are developed for each student. Students are assigned to groups in the classroom based on their strengths and skill level. To receive services individuals must be referred by a contracting independent school district.

*101 Uhland Rd. #204, San Marcos, TX 78666*

The Cole Academy provides one-on-one ABA services to children with Autism through a variety of services (including Speech, Occupational and Physical Therapy). The goal of the Cole Academy is to create a positive learning environment, allowing your child to maximize their potential. Our programs are intended to teach your child to transition to a more traditional setting.

Clowvazar Academy ..... 210.690.4800

Web: www.clowvazar.com

*12746 Cimarron Path #120, SA TX 78249*

Contact: Austin Clow

The Clowvazar Academy is a year-round alternative education school for Kinder through 12th grade. Our staff works with children who are Special Ed, General Ed and Gifted-and-Talented. We take students with anxiety, high-functioning autism, dyslexia, ADHD and other similar learning differences. We have a large General Ed population. During the summer, we also offer an affordable summer school program.

Anne Warren, MA, BCBA, Clinical Evaluation Specialist
E-Mail: a.warren@blossomcenterforchildren.com
Petal Academy prepares children with learning differences for **kindergarten inclusion**. We specialize in teaching children with special needs ages 4 through 6. Our small class ratios, 7 children with one teacher and one support specialist, promote individual attention and support for each child as they develop skills necessary for **kindergarten success**!

We focus on the core areas of building friendships, literacy, mathematics, science, creative arts, social and emotional development, and physical development as well as classroom readiness skills necessary for success in kindergarten. We utilize ABA strategies in the classroom to modify and support learning under the supervision of a BCBA (Board Certified Behavior Analyst) to optimize children's success.

**Sunshine Cottage School for Deaf Children** ..... **210.824.0579**
Web: www.sunshinecottage.org
*603 E. Hildebrand, SA TX 78212*
A private, non-profit, accredited school for both hearing impaired children and hearing children. Children with hearing loss are taught to listen and talk through the use of digital hearing aids or cochlear implants. The Newborn Hearing Evaluation Center is a diagnostic testing site for newborns: insurance and Medicaid accepted.
The Parent Infant Program (birth to three) is available, at no cost, for parents with hearing impaired infants and toddlers. Weekly sessions, parent support groups, nurturing classes, Family and Me Outings, in-home visits and free audiological services are part of this program. Full-day classes encompass State standards with integration of technology in the curriculum, placing emphasis on developing oral-language skills. Classes have a low student-to-teacher ratio of 7:1 and begin with three year olds through the fifth grade, combining children with hearing loss and children with typical hearing; generous scholarships available.

**The Academy at Morgan's Wonderland** ..... **210.479.3311**
Web: www.morganswonderland.academy
*5235 David Edwards Dr., SA TX 78233*
Dr. Susan Bineham, Principal
Our mission is to provide students with special needs a unique learning environment so they may reach their maximum individual potential.

**The Foundation School for Autism - San Antonio** ..... **210.402.0253**
Web: www.responsiveed.com/contact-us/foundation-school-for-autism
*2235 Thousand Oaks, Ste. 130, SA TX 78232*
The Foundation School for Autism is a public charter school for autistic children ages 3-7 with a focus on early intervention. Tuition is FREE.

Announces the revision of the Texas Statewide Leadership for Autism website (www.txautism.net) and the launch of the Autism Circuit website (www.autismcircuit.net); our goal with these sites was to develop resources for educators, parents, and community members focusing on evidence-based practices for students with autism spectrum disorder.
Web: www.txautism.net
Visitors to this site will find information to support the implementation of evidence-based practices (EBPs) with individuals who have autism spectrum disorder (ASD). This website includes links to Texas Autism Resource Guide for Effective Teaching (TARGET) where you will find documents providing information and research on EBPs and evaluations/assessments. You will also find information on trainings and webinars specific to ASD, the Texas State Autism Conference, and a variety of state and national resources.
Web: www.autismcircuit.net
This site will provide quick access to tools that may be used when working with an individual with ASD. Each tool provides an explanation of how to use the tool, printable templates and resources, and links for additional resources. There are also links in each tool connecting them to an EBP webinar and a TARGET document.

We offer psychological, occupational and preschool screenings for children who are currently attending or about to attend preschool or Kindergarten. Screenings will be provided by Assessment Intervention Management, LLC (AIM, LLC). AIM personnel include speech therapists, licensed psychological associates, psychologists, and occupational therapist. The evaluation process varies depending on the nature of the condition and the focus area of need. An estimate of cost will be provided before starting the evaluation. Generally, the following steps are included: Review of existing documents, Obtain information from other professionals (as agreed upon with referring party). Direct interaction and testing of child, Observation in specific environments if needed (home, school and/or community), Written Report, Face to face test interpretation with recommendations

**Autism Therapy Group (ATG)** ..... 1.224.554.9634
Web: www.theautismtherapygroup.com
E-Mail: abt@theautismtherapygroup.com
Contact name: Patricia Ostrow
Autism Therapy Group specializes in providing Applied Behavior Analysis (ABA) therapy in home and community environments. ABA is a scientifically validated approach to understanding behavior and how it is affected by each child's immediate environment. As your provider, we use ABA techniques and principles to bring about meaningful and positive changes in behavior that go towards a singular goal: your child leading a happy, productive and fulfilling life. We are in-network with BCBS of IL, Blue Choice BCBSIL, BCBS of Texas, BCBS HMOs of Texas, Cigna and Aetna in Texas; but we will work with all private insurance. All our staff at this location is bi-lingual.

**Autism Treatment Center (ATC)** ..... **210.685.2266**

Fax: ..... **210.468.5573**

Web: www.atcoftexas.org

*1611 Nacogdoches RD., SA TX 78247*

Contact: Rita Hinojosa ..... **210.590.2107**

ATCs mission is to assist individuals with autism and related disorders throughout their lives as they learn, play, work and live in the community. ATC is a Texas Education Agency non-public school. The Learning Center provides educational instruction to children ages 3-21. Individual educational plans (IEPs) are based upon assessment protocols to include ABLLS & VB-MAPP and also offers speech, occupational and applied behavioral analysis therapies; ATC also offers outpatient services including speech, occupational and ABA therapy. ATC has a thirty year history of providing services for children and adults with autism to include evaluations, education, residential, and therapy.

**Behavior Building Blocks** ..... **210.246.3934**

Behavior Building Blocks provides a continuum of applied behavior analysis (ABA) services to individuals and families. Our services include direct 1:1 ABA therapy for all ages in the home, community and school settings, school support and collaboration services, Individualized Education Plan (IEP) review with Admission, Review, and Dismissal (ARD) meeting support, and one-time consultative services. Visit our website to learn more about the services we provide!

Behavior Building Blocks currently accepts private pay and is also an in-network provider for several major insurance carriers, including Tricare.

**Behavior Keys** ..... **210.771.3166**

Web: www.behaviorkeys.com

Terri Davis, Owner

E-Mail: terridavis@behaviorkeys.com or info@behaviorkeys.com

Roxanna Ramirez, Director of ABA Services, MA, BCBA

E-Mail: roxannaramirez@behaviorkeys.com

At *Behavior Keys* we provide individualized (ABA) and family therapy services to assist children in improving their social, communication, and learning skills. Our methodology is firmly rooted in the science of behavior and our outcomes are measured to give parents a clear picture of the progress their child is making. We do not feel the disability should define the child or their family. The ABA services are provided in the following settings: home, community, and clinic. We also provide Speech Therapy, Occupational Therapy and Counseling in the clinic setting.

Rebecca Dirkmaat M.A., CCC-SLP, LBA, BCBA
Blue Sprig is on a mission to change the world for children with autism. We provide Applied Behavior Analysis (ABA) through our team of compassionate therapists to all the children we serve. We provide focused (part-time) and comprehensive (full-time) programs in our clinic. Our Live Oak location has immediate availability to begin services. Our dedicated team is available to schedule a free consultation and a tour the program to determine how we can best fit your child's needs. Blue Sprig works alongside your current team of pediatricians, psychologists, and speech language pathologists to make sure every stakeholder is collaboratively working toward the same goals. Our team members will work tirelessly to assure your child's individualized treatment plan best suits his or her unique needs. We currently accept commercial insurance: Tricare, Aetna, Magellan, BCBS, Beacon, and Humana.

**Bridging Behaviors** ..... **210.314.1545**

Web: www.bridgingbehaviors.com
E-Mail: bridgingbehaviors@gmail.com
Beverly Smith, BA, BCaBA, In-Home/Parent Trainer
Sarah Wilburn, M.Ed., BCBA, In-Home/Parent Trainer
At Bridging Behaviors, our Behavior Analysts strive to provide parents with the skills necessary to work with their child. All sessions take place in the natural environment – usually at home. Parents are taught practical solutions on how to interact with their child by encouraging appropriate behaviors, preventing challenging behaviors and establishing effective communication systems. We offer behavior support for individuals of any age and no diagnosis is necessary.

**Butterfly Effects** ..... **1.888.880.9270**

UTSA's TEAM Autism Research Center is a verbal behavior laboratory that provides free and reduced-cost behavior-analytic intervention for children with autism and other language disorders. Undergraduate and graduate students studying applied behavior analysis provide six hours per week of behavior analytic intervention under the supervision of two Board Certified Behavior Analysts. The TEAM Center runs in accordance with UTSA's academic calendar, and all students are discharged at the end of each semester. We charge a one-time fee of $50 for each semester of enrollment, which may be discounted according to federal poverty guidelines. Hablamos Español! Find out more at www.utsa.edu/autism.

Disability Rights Texas (DRTx) is the federally designated legal protection and advocacy agency (P&A) for people with disabilities in Texas. Our mission is to help people with disabilities understand and exercise their rights under the law, ensuring their full and equal participation in society. DRTx provides direct legal assistance to children and adults with disabilities who are threatened or violated. Our efforts to improve educational opportunities for students with disabilities include: Helping to create integrated classrooms where students with disabilities learn alongside students without disabilities; Assisting students with disabilities in receiving the assistive technology and training required for their success in school; Ensuring that students are not disciplined, restrained or secluded because of a disability; Assisting students in receiving the transition services needed to prepare for life after school.

**101 Advocacy** ..... **210.722.9974**
Web: www.101advocacy.com
Sylvia Farber: sfarber@101advocacy.com
101 Advocacy helps families navigate through the special education or 504 processes by educating families on special education/504 laws and their rights, collaborating with parents to get effective educational programs and services from school districts, reviewing the IEP to ensure it is written to meet individual student needs, and assisting at ARD/504 meetings. 101 Advocacy offers bi-lingual advocacy.

MELD Special focuses on the daily challenges of raising a child and address the impact of an illness or disability on childrearing and family life. Discussions are geared to concerns faced by all parents, rather than medical information. Curriculum topics include: Coping with Grief, Parent Relationships, Family Relationships, Stress & Coping, Siblings, Working with Professionals, Play, Growth & Development and Behavior Guidance. Support and Information are balanced throughout the program; groups meet in various locations around San Antonio. Childcare and a meal are provided during groups. Limited transportation is available. Please call ahead to reserve for childcare and transportation if needed.

**MoCAA (Moms Connect About Autism)** ..... **210.845.3395**

Web: www.missionroadministries.org/programs/children/respite-care
*8706 Mission RD, SA TX 78214*
Children with Intellectual Disabilities have lived on the campus of Mission Road for nearly 65 years. We know what it takes to care for children who require individualized attention and constant supervision. At Mission Road we can provide your child with a weekend of fun and activity; while giving you the rest and relief you deserve. Your child will spend the weekend in one of our 5 cottages; interacting and playing with other children; all under the watchful eye of trained residential care professionals. A gymnasium; basketball court; sensory room; playground and Open Air Pavilion provide the backdrop for stimulating activities. A menu of meals and snacks carefully designed by our licensed dietitian are served family style. Our on-campus Health Care clinic dispenses any medications your child may need during their stay.

Web: www.atcoftexas.org
*15911 Nacogdoches RD., SA TX 78247*
Contacts: Rita Hinojosa
Autism Treatment Center Rehabilitation Agency (ATCRA) is a Medicaid Outpatient Rehabilitation Facility (ORF) offering speech and occupational therapy services to children ages 18 months through 21 years of age. ATCRA serves the community through information dissemination, consultation, therapy, diagnostics and research. Children receiving services from the ATCRA benefit greatly from ATC's years of experience in applied behavior analysis (ABA), intervention and treatment strategies. It is the mission of the ATCRA to *promote the development of functional communication and social skills for individuals with autism and related disorders.* ATCRA believes in the importance of teaching functional communication to children of all ages. Licensed Speech and Occupational therapists adhere to best practice, offering research-based treatment and therapy to each patient. Treatment sessions range between 30 minutes to an hour and patients are seen 1-3 times per week. ATCRA currently accepts patients who have Medicaid and is a provider for Community First and Superior Health Plan, as well as accepts private pay patients. We are an ABA provider and some therapists accept Blue Cross Blue Shield and TriCare.

We provide each child with professional; 24-hour AWAKE care by trained; attentive staff allowing the child to thrive and grow into a successful and happy adult. We provide our partnering families with time and respite from the 24/7/365 care that often overwhelms families with children with special needs. Our caregivers are rested and ready to provide focused and loving for each of the children in their care. Our caregivers are not distracted like parents and foster parents are with other obligations like cooking dinner; doing laundry; driving other children to practices. They are 100% focused on the special children in their care. Furthermore; our caregivers all participate in 50+ hours of professional training each year. Our greatest strength: three 8-hour shifts of ready; rested and loving caregivers providing 24/7/365 awake care. For more info you can call Monday - Friday 8 AM - 5 PM.

Charis Hills is a Christian, coed residential summer camp specifically designed to help kids with learning differences find success. We welcome kids with ADHD, LD, Asperger's Syndrome, High Functioning Autism, and PDD. We offer one and two week sessions with the option of "piggy backing" sessions to make a three week (or longer) stay. We provide exciting and fun camp activities in a Christian atmosphere. Campers will participate in a daily education program instructed by an experienced teaching staff. Our focus is on building self-confidence, social skills, and independence in a loving environment. At Charis Hills your child will experience healing, education, and growth. We are located in beautiful Sunset, Texas, just west of Dallas/Fort Worth. Contact us today to reserve a spot for your child, camp space is limited.

E-Mail: roshanmogul@hotmail.com
An ABA based early care for children ages 2 to 6 operated by parents who have fought a personal battle against autism for thirteen years. With a structured environment, low student-teacher ratio, and individualized instructions, this center strives to bring positive changes into the lives of our children, enabling them to reach their maximum potential. The center addresses attending skills, compliance skills, communication skills, imitation skills, school readiness, academic skills, social skills, functional skills, motor skills, self-help skills, behavioral issues, and toilet training. All of these are addressed while keeping in mind our race against time and our limited resources-- time and money. The program is held from 8 am to 4 pm, Monday through Friday, with varying sessions available.

Contact: Diana Johnson, Axcess Special Needs Director
Children and adults of all ages are invited to come and worship at CBC. Depending on the individual's abilities, family preferences, and safety concerns, he or she can attend a class/service with a buddy (peer, teen or adult) or go to a room for individuals with special needs. We have safe and friendly rooms staffed with paid worker and volunteers to love and teach all people (including developmental disabilities, emotional/behavioral disorders). We learn about God, Jesus and the bible through prayer, stories, crafts, games and love-filled play. Rooms are open and buddies are available for the following services: Saturday at 5pm and Sunday at 9am, 10am, 11am and 1pm. The teen/adult Bible Study meets at 9am.

*1801 W. Cesar Chavez Blvd., SA TX 78207*
The Guardianship Services offers legal guardianship services; including less restrictive alternatives; for those who lack mental capacity due to illness or disability; and who are at risk of abuse; neglect and exploitation. With the goal of protecting the most vulnerable in our society by ensuring their safety in the community; the Guardianship Services creates 1/3 of all guardianships established in Bexar County. Since a guardianship takes away a person's rights and cannot easily be undone; Catholic Charities believes it is crucial that less restrictive alternatives are implemented first. Direct guardianship services are only provided as a last resort when all other options have been exhausted and there are no other means of protecting the individual. Some alternatives to Guardianship are our money management services or referrals to other agencies. Additionally; Catholic Charities offers wills & advanced planning services for anyone who is in need of legal assistance and guidance with life affairs planning; including will preparation and durable powers of attorney. If available alternatives are not suitable options; then Catholic Charities will establish legal guardianships for qualified individuals and provided case management services to those enrolled.

To qualify for free legal services from TRLA; an applicant must meet the income; asset; and immigration requirements established by the United States Congress; the Texas Legislature; and other funding sources. TRLA will always attempt to find a funding source that will permit representation for persons who are unable to afford the services of a private attorney. The guidelines are complicated; but trained intake workers will be the first step of the process. Applicants will be asked various questions regarding income; assets; and citizenship/immigration status in order to see whether they are eligible. Serves the following counties: Atascosa, Bandera, Bexar, Comal, Crockett, Edwards, Gillespie, Guadalupe, Karnes, Kendall, Kerr, Kimble, Mason, Medina, Real, Sutton, Wilson.

Services specific to autism and related disabilities:
Our office can prepare a Special Needs Trust to help your loved one with a disability qualify and maintain eligibility for public benefits, such as SSI and Medicaid.
There are a variety of ways we can help your family. You may do a Will with a Special Needs trust in it that goes into effect when you die. Alternatively, you may set up a Special Needs Trust while you are alive that can help improve the quality of life of your loved one with a disability without jeopardizing her benefits.
If you'd like to discuss your situation further, please **contact** us to schedule an appointment.

You will find information to support the implementation of evidence-based practices (EBPs) with individuals who have autism spectrum disorder (ASD). This website includes links for Texas Autism Resource Guide for Effective Teaching (TARGET) where you will find documents providing information and research on EBPs and evaluations/assessments. You will also find information on trainings and webinars specific to ASD, the Texas State Autism Conference, and a variety of state and national resources. Provides quick access to tools that may be used when working with an individual with ASD, each tool provides an explanation of how to use the tool, printable templates and resources, and links for additional resources. There are also links in each tool connecting them to an EBP webinar and a TARGET document.

Applying Behavioral Principles through Very Clear, Visual, Concrete & Predictable Red and Green Choices Strategies

Blue Cat PIES is a product line of Any Baby Can that offers teaching activities to support students on the autism spectrum. The product consists of ready-made activity books that are hand-assembled by adults with autism. The books cover a variety of academic skills such an elementary and secondary reading and math. A series of educational early childhood activity books is also available. All proceeds benefit Any Baby Can's Autism Services.

The books are laminated for durability and use interactive picture cards to teach the subject matter. Visit our website for more information at www.bluecatpies.com or call Tisha Gonzalez at 210 547-3015.

## Autism Consultation & Training

Any Baby Can Autism Services program offers school districts a wide variety of support and training. Our Autism Services staff holds over 30 years of experience in the field of autism education in public and private school settings. Our staff has expertise in addressing academic development and behavior management skills for student with ASD and hold multiple credentials including Board Certified Behavior Analyst certificates, Advanced TEACCH Consultant certificates and teaching credentials.

Teacher Training is held annually for general education and special education teachers.

For more information, please contact: Tisha Gonzalez, M.A. BCBA
