

Any Baby Can's Walk for Autism Risk Management Plan

The CE Group is providing logistical coordination for Any Baby Can's Walk for Autism. Any Baby Can staff is working in conjunction with the CE Group personnel to ensure that all set up, event-day activities, and clean up run smoothly and safely for all participants to enjoy.

The AT&T Center/Spurs Sports & Entertainment Event Production Coordinator will be onsite the entire time to coordinate AT&T staff and hired contractors. AT&T personnel and contractors will provide traffic control, parking lot attendants, and ongoing clean-up of trash and debris.

Any Baby Can's Walk for Autism will take place rain or shine. The weather will be evaluated prior to event and a decision will be made to cancel or rescheduling. If lightning is present, the event will be postponed or cancelled.

Set up Crew (before event)

Members of the set up and clean-up crew should survey the entire event area (bathrooms, VIP area, main stage, food, etc.) often to remove any slip and fall hazards. If a hazardous condition cannot be cleared immediately, a safety cone (visible warning sign) should be placed at the scene while clean-up is in process.

Start hour: 4:00am **End hour:** 6:30am

Responsible Individuals: Any Baby Can Volunteer Coordinator

70 volunteers will be available to assist with this task. The CE Group will have leads in all areas to coordinate.

Clean up Crew (after Event)

Members of the set up and clean-up crew should survey the entire event area (bathrooms, VIP area, main stage, food, etc.) often to remove any slip and fall hazards. If a hazardous condition cannot be cleared immediately, a safety cone (visible warning sign) should be placed at the scene while clean-up is in process.

Start hour: 11:00am **End hour:** 12:00pm

Responsible Individuals: Any Baby Can Volunteer Coordinator

70 volunteers will be available to assist with this task. The CE Group will have leads in all areas to coordinate.

Items to consider:

- Proper trash disposal
- Proper care of perishable food
- Turn off generators
- Set up of tables and chairs

First Aid

Who is providing First Aid? US Safety Services

Fiesta de los Jefes will be a part of Any Baby Can's Walk for Autism. There will be numerous SAPD and SAFD First Responders on site throughout the event that can also respond in case of an emergency.

Emergency and Evacuation

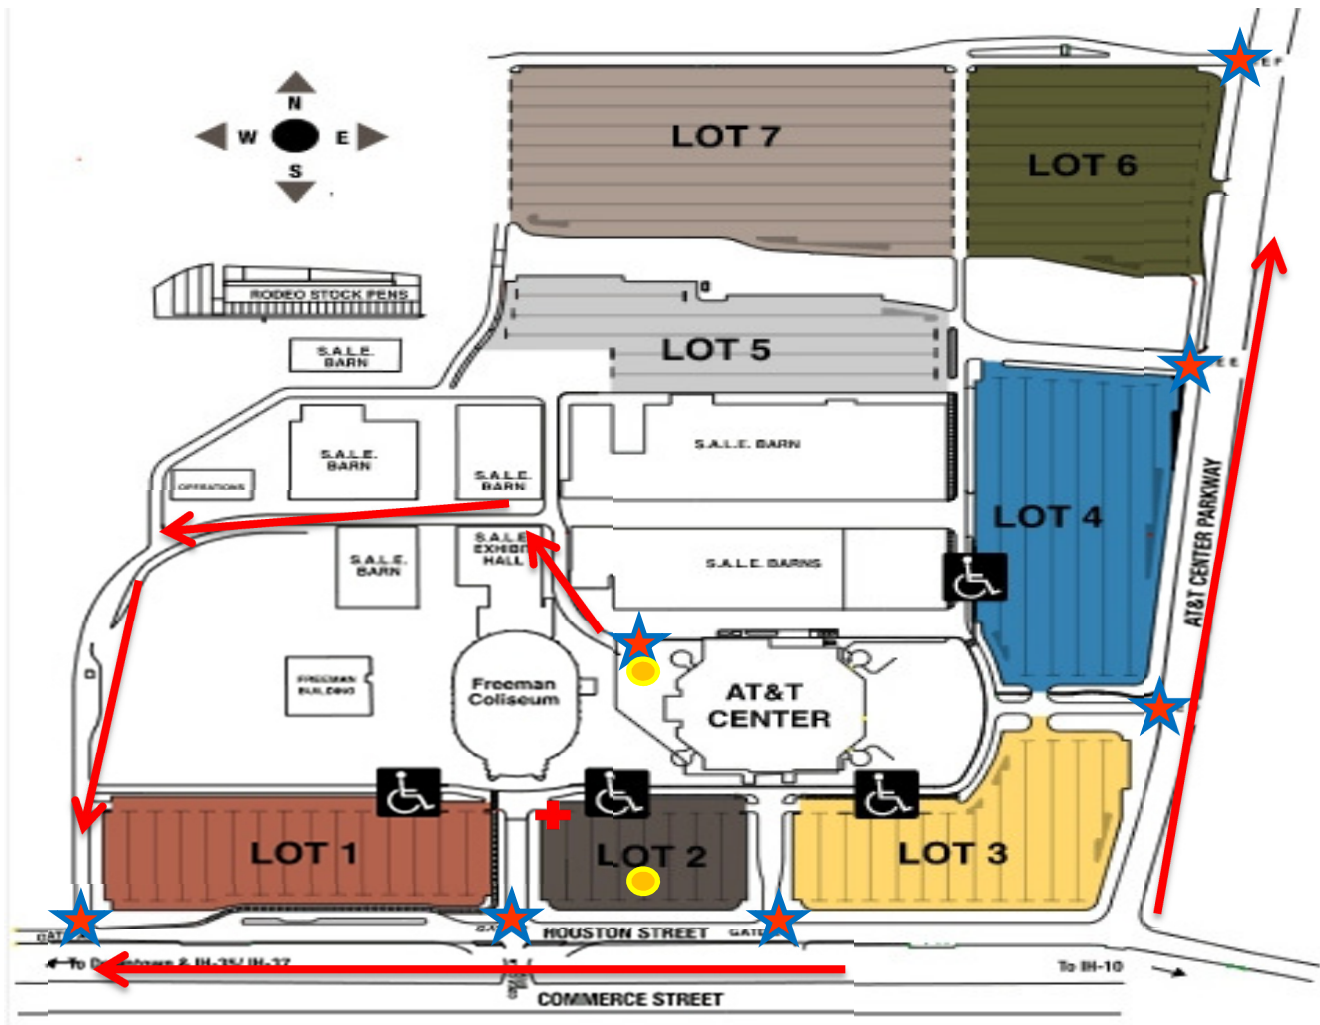

The red cross on the map indicates First Aid tent located on the north end of parking lot 2. 

In the event that the AT&T Center has to be evacuated, all will exit through any of the exits designated with a star below. All exits will be open and all traffic lanes will be used for egress heading away from the AT&T Center. Arrows below denote the direction of the traffic from each exit in the case of an emergency.  

AT&T Center will provide parking lot attendants and personnel at each exit to assist with traffic.

Lost and found for items or persons will be located at the Main Stage and will be announced by the main stage staff. There are two stages that will make announcements. 

For questions regarding emergencies and safety, please contact Hugo Hernandez at 210.413.7079
