spread your wings with us

Any Baby Can was born over 40 years ago with the mission to serve families with children and youth facing serious health or developmental challenges. Since 1982, we have stayed true to that mission.

In 2022, Any Baby Can experienced one of our highest impact years to-date, with
8,447 LIVES TOUCHED and just over \$2,000,000 in care provided
- a 71% increase over 2021.

While we are proud of how much we have grown and the work we have accomplished, in large part through your generous support, the need continues. Your sponsorship will truly help make a difference in the lives of the children and families Any Baby Can supports. Without donors like you, we would be unable to have such a life-changing impact.

We are so excited to bring back The Angel Affair for its fourth year. We invite you don your best all white attire and spread your wings with us. It wouldn't be a proper celebration without you.

Elyse A. Bernal
CEO

"Any Baby Can has helped us get all the support we need in helping to bring all these resources to one spot! We knew God and luck were on our side when we found Any Baby Can."

Parent who received help through ABC Autism Services and Case Management

"Thank you for helping our family in our most tragic time in our lives. It was such a relief knowing that there are resources available to be there for families that are in the stage where they are planning for their child's future only to have that future taken away."
